

Burwood District Bowls Club

Jack Attack Team Registration

What: Jack Attack is the new fast and exciting format of lawn bowls. Gone are the oldies in their whites and in comes a high energy game that can be played with mates and is over in roughly an hour. Put together a team of 3 players and you're ready to go!

How the nights will work: Doors will be open from 5pm so you can come to the club after work and have a drink and a light snack and maybe even sneak in some practice, the bowls will already be out and ready for you. If that's not for you, just arrive in time for your game. Games will start at 6.30pm and take about an hour to play with a brief wrap up at the end for the weekly prize winners.

When: A short 5 week season will begin with an introductory night on Wednesday February 13. No competition points, just come down and get to meet the hosts, have a bit of a bowl with some coaching tips and see what Jack Attack is all about. The following 4 Wednesday nights (February 20 and 27, March 6 and 13) you'll compete for the title!

Where: Burwood District Bowls Club, Burwood Reserve, just off Warrigal Rd near Bath Rd.

Cost: \$30 per team registration fee prior to the first week, then \$5 per player per week. The overall champion will win a donation to their chosen charity, local sporting club or school.

Team Name: _____

Team Colours: (We'll try and match your team bowls stickers to your existing club, school or business) _____
