Club Sponsorship Program

The number one thing I have heard from both new sponsors and renewing sponsors to the club this year is that they are looking for a return on their investment in our Club. Gone are the days when business owners will hand over their hard earned dollars because we asked very nicely. They now want to be able to see what Burwood District Bowls Club can do for them.

So, I have come up with a few things we can do as Club members for some of our specific sponsors:

- Know of someone selling or buying a home? Recommend **JA Cain**. Make it easy for your friend or family member by giving them **JA Cain's** phone number and address. Make sure they let Bryan and his team know that you recommended them and you're from BDBC.
- **Hamilton Morello** can help you with your personal or business accounting needs, they can help you with your financial planning or answer any questions you may have. A long term supporter of the Club with a proud history of working with the community.
- Sore back, sore foot, sore shoulder or maybe you just need a massage? **Camberwell Sports and Spinal Medicine** can help with a lot of different things. If you mention you are from BDBC they will give you a 10% discount.
- Weekly/fortnightly/monthly meat requirements? Marty from **Your Local Butcher** is here to help. You can ring him up and place an order for pickup at his store in Malvern East or if you order around the \$100 mark, he will deliver to your home for free. He will happily cryo-pack your meat if you need it in smaller

amounts and can do Credit Card transactions over the phone as well. Please let him know you're from BDBC.

- **Burwood Cellars** can always help you with wine requirements, from small quantities to catering for a big party you're planning, Paul can always help.
- **Jacked Up Coffee** are a very enthusiastic new sponsor they are extremely keen to be part of our club and have already catered a few of our events like the Ladies Day Classic and the Lasagne at the Christmas Party. Always a good coffee when you need one, so pop in and see Jack
- Nick from **Switched on Electrical** is able to help with all your domestic electrical needs. You may have met Nick from time to time as he helps around the club
- Need an upgrade to your bowls or bowling gear, **Doncaster Sporting Goods**. You also get a discount when you mention you're from BDBC and he also makes a contribution to the club in the form of small gifts or vouchers for raffles.
- Brendan from **Burwood Highway Mowers** is a long term sponsor of the club. He provides sales of new equipment and service to old. We have also been trying to talk him into bowling so make sure you invite down to the club for a roll.
- **Grande Forno** Italian restaurant are another long term supporter of the club in the form of vouchers we raffle at Saturday pennant lunch break. Always a great place to grab a quick bite to eat, or settle in for a long meal of pizza, pasta and gelato!

MIDWEEK PENNANT WRAPUP

This season has been very difficult as we have come up against some very strong opposition. I am extremely proud of the way all our sides kept on trying all season.

It was very hard selecting the three sides each week as we had so many players missing because of various reasons throughout the season but we were very grateful for all the people who filled in for us at short notice. A very big thank you to Harold Kennedy who was not listed to play Midweek and played nearly every match for the season and in any position that we asked him to. He was very encouraging to the other players in the side.

Our Division One side finished eight on the ladder and will stay up in Division One next season. The second side finished ninth and will go down to Division Four next season. Our 6-A-Side side finished on the bottom of the ladder.

I would like to thank Rob Morley and Graeme Burgess for their help with selection.

Midweek Chairman of Selectors
